Dear Truth-O-Meter,

The PolitiFact/PunditFact fact check of a claim of "manufactured voters" completely omitted the most obvious evidence supporting Ken Blackwell's claim.

As reported by the *Miami Herald* (and published in the *Tampa Bay Times*), Broward's Brenda Snipes mixed illegal votes in with legal provisional ballots. At least 20 illegal votes thus found their way into Broward's vote totals.

Even if PolitiFact is inclined to discount [lifelong Democrat Snipes](#) as a part of "Democrats and their allies" it seems like there's little excuse to omit all mention of this reporting.
